Re: Eugene R. Leseane, Petitioner, vs. United States Of America ex rel. Jonathan C. Miner, Warden, Respondent: Civil Action No. 1:cv-00-1688

Dear Judge Kane:

I am contacting you to request that the Court expeditiously decide and issue a final decision with regards to the issues contained within Petitioner's 28 U.S.C. §2241 petition (§2241 petition).

Petitioner's §2241 was filed in this Court in September 2000. One of Petitioner's contention was that he was serving an illegal sentence. If Petitioner's contentions are legally sound he has and continues to be prejudiced by the illegal sentence that keeps him imprisoned.

The issues presented in Petitioner's §2241 petition have been briefed and Petitioner respectfully requests this Court issue its decision with regards to the issues contained within.

I declare under penalty of perjury that the foregoing is  
true and correct. 28 U.S.C. §1746.
